Outline

Aima means “space or time in between something” in Japanese. As the name well expresses, the design feature of the lounge chair is the break in the arms. It’ s eye-catchy and adorning gathering places like a hotel lounge. The surrounding backrest and slightly inclined seat surface give a luxury comfort and firmly hold the body. This is the Japanese aesthetic interpreted as “incomplete beauty” by the French designer, Gwenael Nicolas.

Grain

Random match

Wood planks or veneer sheets are joined at random, of which expressive surface patterns require craftspeople for high skills and an eye for beauty.

Book match

Two pieces of wood planks or veneer sheets with similar surface patterns are arranged side by side to look like a book opened, which makes surface patterns look more dynamic by grains running symmetrically.
