## Grain

### Random match

Wood planks or veneer sheets are joined at random, of which expressive surface patterns require craftspeople for high skills and an eye for beauty.

### Book match

Two pieces of wood planks or veneer sheets with similar surface patterns are arranged side by side to look like a book opened, which makes surface patterns look more dynamic by grains running symmetrically.

# BARCA

Barca means a boat in Italian. The shape of the shell looking like a boat can change as you wish by moving the 28 pieces of sliding boards consisting of the shell. It was a big challenge: the sliding boards must move smoothly but maintain a posture at the same time. The chair won the best prize in International Furniture Design Competition in Asahikawa 2008 for its originality, and has grown up to be one of the iconic products to show CondeHouse's enthusiasm for design.
