

Motomi Kawakami / Japan

Outline

The feature of this lobby chair is the dynamic combination of the wooden backrest and metal legs. The good design balances comfort and strength. Due to the aluminum legs, it's water-resistant and more durable, which makes it suitable for a wide variety of use, such as airports, train stations, hospitals,

Grain

- Random match
- Wood planks or veneer sheets are joined at random, of which expressive surface patterns require craftspeople for high skills and an eye for beauty.
- Book match
- Two pieces of wood planks or veneer sheets with similar surface patterns are arranged side by side to look like a book opened, which makes surface patterns look more dynamic by grains running symmetrically.

Size description for chairs and tables

Diagram of a chair showing dimensions: w (width), d (depth), h (height), sh (seat height), ah (arm height).

Diagram of a table showing dimensions: w (width), wbl (width between legs), d (depth), h (height), h1 (height from floor to bottom of top board), h2 (height from floor to cross pieces of top board), t (thickness), dia (diameter).
