

Outline

With its seamless organic form connecting the backrest, armrests, front legs, and base, this chair delivers compact luxury even in limited spaces such as urban apartments. Winner of the grand prize at the 2017 International Furniture Design Asahikawa (IFDA) competition for its "evolutionary and fresh" design, KORENTO chairs are crafted from Hokkaido oak and are available as both armchairs and side chairs.

Grain

Random match

Wood planks or veneer sheets are joined at random, of which expressive surface patterns require craftspeople for high skills and an eye for beauty.

Book match

Two pieces of wood planks or veneer sheets with similar surface patterns are arranged side by side to look like a book opened, which makes surface patterns look more dynamic by grains running symmetrically.
