Grain

Random match

Wood planks or veneer sheets are joined at random, of which expressive surface patterns require craftspeople for high skills and an eye for beauty.

Book match

Two pieces of wood planks or veneer sheets with similar surface patterns are arranged side by side to look like a book opened, which makes surface patterns look more dynamic by grains running symmetrically.

● 20 25 30 35 40 45 50 The figures in the boxes represent sales periods more than 20 years.

● The seat fabric and leather price is classified in seven grades.

● Delivery and installation are separately charged.

* Please contact for more details.

Lavender is a fusion of Japanese wood crafting skills and European modern design. Designed by Noboru Nakamura, it consists of a cushion that covers the whole back, providing comfort from top to bottom. It's a chair that matches well widely with CondeHouse desks and tables.
