

Outline

Nupri means “Mountains” in the Ainu language. The structure and material of the dining chair is designed to support the body comfortably. The wooden frame made of Japanese oak has an integrated form from the backrest to the armrest and legs, as if it is a part of the body.

Outline

Named after the Ainu word for "mountain," the "NUPRI" lounge chair embodies the connection between Hokkaido's natural landscapes and people. Designed by Toshiyuki Kita, it features a sturdy seat and firm, enveloping backrest. The seamless flow of solid wood from the backrest to the arms and legs evokes the gentle ridges of a mountain range, delivering both comfort and aesthetic beauty.
