Grain

Random match

Wood planks or veneer sheets are joined at random, of which expressive surface patterns require craftspeople for high skills and an eye for beauty.

Book match

Two pieces of wood planks or veneer sheets with similar surface patterns are arranged side by side to look like a book opened, which makes surface patterns look more dynamic by grains running symmetrically.

● 20 25 30 35 40 45 50 The figures in the boxes represent sales periods more than 20 years.

● The seat fabric and leather price is classified in seven grades.

● Delivery and installation are separately charged.

* Please contact for more details.

Designed by a Swedish designer, Sture Eng, Runt Om is one of the most popular chairs made by CondeHouse. Since the launch 50 years ago, this light and stackable chair has been redesigned several times to reach its full potential, and consequently still used widely in residences and public facilities.
