Grain

Random match

Wood planks or veneer sheets are joined at random, of which expressive surface patterns require craftspeople for high skills and an eye for beauty.

Book match

Two pieces of wood planks or veneer sheets with similar surface patterns are arranged side by side to look like a book opened, which makes surface patterns look more dynamic by grains running symmetrically.

● 20 25 30 35 40 45 50 The figures in the boxes represent sales periods more than 20 years.

● The seat fabric and leather price is classified in seven grades.

● Delivery and installation are separately charged.

STRIPE

20

Stripe is a collection of cabinets that have a common design motif: stripes made by wood pieces in different colors. It not only stores your clothes and personal belongings but also creates your own reading corner with the cabinets and other CondeHouse chairs and desks.
